Summary of key issues / questions raised

Key issue	Questions raised	What does this mean in practice in my institution?
Indigenous Knowledge systems	<ul style="list-style-type: none"> • How do we get access to concepts, ideas and content that reflect African cultures, identities, languages and histories? 	<ol style="list-style-type: none"> 1. What do we already do? 2. What is non-negotiable? 3. What do we want to do / change? 4. What does this mean in practice? 5. What is possible now? 6. What is possible short to medium term? 7. What is nice to have but not feasible yet? 8. How is this affected by the mode of provision in my institution (face to face, blended, fully online)
Kinds of knowledge	<ul style="list-style-type: none"> • What sort of knowledge should be foregrounded? • Do our Knowledge and Practice Standards sufficient foreground IKS? 	
Guidelines for ECCE programmes	<ul style="list-style-type: none"> • How do we give prominence to Africanisation and IKS in the ECCE programmes? • What changes would this imply? • Should this only be the case in HE programmes? • What are the implications of Africanisation and belonging for how we support African languages in our ECCE programmes? • How can Work Integrated Learning (WIL), service learning and assessment support Africanisation and belonging? 	
IKS in ECCE	<ul style="list-style-type: none"> • How does an emphasis on Africanisation and belonging reflect a transformative pedagogy? • How does Africanisation and belonging influence our relationships with families?
