# PIECCE Birth to Four Programme Framework Recognition of Prior Learning Chapter 10 Summary

## Recognition of Prior Learning (RPL) Chapter 10 Summary

### 1. *What is RPL?*

- a. measurement process of informal, non-formal and formal learning regardless of when or where it occurred (Andersson, Fejes & Sandberg, 2013)
- b. recognition of learning across diverse contexts
- c. for access, credit, inclusion or advancement
- d. makes prior learning visible
- e. distinguish RPL from credit transfer

### 2. *Purpose of RPL*

- a. facilitate flexible pathways into HEd
- b. improve degree completion
- c. implement competency-based assessment
- d. Recognition and validation of acquired experience (RVAE) (Diedrick, 2013)
- e. associated with:
  - i. access to lifelong learning (DHET, 2013)
  - ii. social justice (Jackson, 2011)
  - iii. Skills development (Cooper & Harris, 2013)
- f. across diverse contexts
- g. 'Capital conversion' (Pitman and Vidovich)
  - i. economic, social and cultural capital assessed as equal to academic experience
- h. potential to boost confidence
  - i. actively encourage reflective practice
  - ii. use new technologies
  - iii. carefully design WIL
  - iv. Integrated support
    - provide appropriate pedagogical support
    - mentorship
    - transition to formal learning setting
    - Developmental education
  - v. build on prior knowledge

### 3. *Status of RPL in South Africa*

- a. Implemented in most HEIs
- b. dedicated RPL offices
- c. dedicated personnel
- d. not fulfilling potential
- e. practice lagging behind policy
- f. uptake restricted

### 4. *Concepts and issues*

- a. RPL not a diminishing of standards or expectations
- b. some students are 'beyond novice' (Gair, 2013)
- c. balance of RPL / learning needs / theory to practice in diverse contexts
- d. RPL accompanied by support for academic success

- e. Language as a barrier
  - i. RPL 95% in English
  - ii. alternative methods
  - iii. additional support

## **5. Access to RPL**

- a. Re-purpose RPL (Klein-Collins & Wertheim, 2013)
  - i. staff capacity development and support
  - ii. financial aid
  - iii. learner support systems
- b. Policies etc:
  - i. MRQECCE (DHET, 2017)
  - ii. SAQA RPL policy
  - iii. CHE RPL policy
  - iv. HEQSF (2013)
- c. students already employed
- d. establish equivalence between
  - i. content and level of prior learning
  - ii. learning in new qualification

## **6. RPL for ECCE qualifications**

- a. will determine who can enrol
- b. have to think creatively to facilitate access and success
- c. target group:
  - i. mostly women
  - ii. some mature
  - iii. non-formal, informal, learning
    - few with NSC
    - possess non-credit-bearing
    - possess credit-bearing certificates for portability and admission
    - FETC: ECD
    - NCV in ECD
    - Report 191 N Certificates
    - Higher Certificate ECD Level 5
  - iv. years of workplace practice and experience
  - v. second or third language English
  - vi. emerging professionals who already possess some Basic Competences for Professionally Qualified Early Childhood Educators (DHET, 2017)
  - vii. willing to do top-up training, such as Foundational learning
- d. distinguish between credit accumulation / credit transfer
  - i. develop guidelines

## **7. RPL applied**

- a. RPL more than measuring outcomes
  - i. ongoing communication and reflection
  - ii. Use of communities of practice

- iii. agreed understanding between students and teacher educator
  - iv. RPL more learner-centred
  - v. reflective practice is cornerstone of work-based learning
- b. Support for transition to formal learning**
- i. contextual links to academic content
  - ii. bridging programmes
  - iii. partnerships with NGOs / TVETs
  - iv. institutional policies facilitate transition
- c. Enabling and supporting access**
- i. recognise equivalence of NQF Level 4 and Level 5 qualifications
  - ii. insistence on matric becomes a barrier
  - iii. recognise indigenous knowledge within curriculae
  - iv. build into programme design
- d. RPL Support Strategies**
- i. variety of methods to assess RPL
    - exams / admission tests
    - portfolios of evidence
      - a. support
      - b. academic literacy
      - c. multi-lingual assessment
      - d. guided reflection pieces
    - review of training programmes
    - concept mapping (assess students' integrated learning / critical thinking skills)
    - demonstrated competences
      - a. videos, work products, simulations
      - b. accompanied by narratives
      - c. technology, such as Whatsapp
  - ii. use of ECD sites to evaluate pedagogic practice (Harrison, 2017:75)
  - iii. cater for individual needs
  - iv. partnerships between NGOs and TVETs have potential to provide
    - language
    - experience
    - 'army' of experts

**Summary of key issues / questions raised / what practice means**

<b>Key issue</b>	<b>Questions raised</b>	<b>What does this mean in practice in my institution?</b>
<b>What is RPL?</b>	<ul style="list-style-type: none"> <li>• In what ways is RPL the same and different for ECCE from other HE studies?</li> <li>• In what ways is RPL the same and different for ECCE in HEIs and NGOs / TVETs?</li> <li>• What can HEIs, NGOs and TVETs learn from each other irt RPL?</li> </ul>	<ol style="list-style-type: none"> <li>1. What do we already do?</li> <li>2. What is non-negotiable?</li> <li>3. What do we want to do / change?</li> <li>4. What does this mean in practice?</li> <li>5. What is possible now?</li> <li>6. What is possible short to medium term?</li> <li>7. What is nice to have but not feasible yet?</li> <li>8. How is this affected by the mode of provision in my institution (face to face, blended, fully online)</li> </ol>
<b>Purpose of RPL</b>	<ul style="list-style-type: none"> <li>• How has our thinking changed?</li> <li>• Does it need to change more?</li> <li>• Who needs to be on board?</li> <li>• How will we do that?</li> </ul>	
<b>Status of RPL in South Africa</b>	<ul style="list-style-type: none"> <li>• What are some reasons for HEIs lagging behind in RPL practice?</li> </ul>	
<b>Concepts and issues</b>	<ul style="list-style-type: none"> <li>• What is the key issue that hinders, or could hinder, the implementation of RPL in ECCE?</li> <li>• What are some ideas for overcoming this challenge?</li> </ul>	
<b>Access to RPL</b>	<ul style="list-style-type: none"> <li>• How can we re-purpose RPL for ECCE qualifications?</li> <li>• How can we creatively think about RPL for access and success?</li> </ul>	
<b>RPL applied</b>	<ul style="list-style-type: none"> <li>• What support do students need during RPL?</li> <li>• Who can provide that support?</li> <li>• What support do HEIs need to implement RPL?</li> <li>• What does it mean to recognise indigenous knowledge for RPL?</li> <li>• What does it mean to recognise the equivalence of NQF Level 4 and Level 5 qualifications for RPL into ECCE programmes?</li> <li>• What does it mean to build RPL into the design of ECCE programmes? Does that only apply to HEIs?</li> <li>• What is the relationship between RPL, developmental education and work integrated learning, if any?</li> </ul>
